

Adams-Friendship Area Education Foundation, Inc.

Classroom Grant Rubric (Revised 10/3/18)

Name of Project:

Submitted by:

Amount of Funding Requested:

	0-1 Points	2 Points	3 Points
Project Scope (Number of Students Benefiting)	One Classroom or Program or a small group of students	Multiple Classrooms/Grade Levels/Programs	Entire School or Department
Project Goals and Objectives	Goals and Objectives are absent or not aligned to the project.	Goals and Objectives are somewhat vague or inconclusive with measures of success that are overly broad or not clearly aligned for the timeframe and project.	Goals and Objectives are clear and realistic and measurable within the timeframe and closely aligned to the project.
Sharing the Learning	Project sharing will be limited to those participating in the project.	Project sharing will extend to other classrooms, grade levels, programs or sections within a building.	Project sharing will extend beyond the building, program or department.
Communicating Project Outcomes	Communication plan is a written summary submitted to the AF Area Education Foundation.	Communication plan is presented to the AF Area Education Foundation at one of its meetings.	Communication plan is shared with the foundation in person with artifacts and is articulated in the local newspaper and social media.

Point Total: _____
