4-15-25

Members in attendance: Darlene Hovorka, Tom Machan, Billy Taylor, Kevin Beaver, BJ Nachreiner, Dana Johnson, Deb Wachholz.

Due to the fact that we didn't have enough directors to constitute a quorum, the members in attendance had the following discussion:

1. Dana Johnson presented a wonderful slide show of the trip the 4th grade students at A-F Elementary took the Food and Farm Exploration Center at Plover. The children had a great experience and learned amazing facts about food and farming. It was truly a well spent grant that she got from the Foundation and other places. Thanks Dana.
2. Deb Wachholz discussed the scholarship payout and the treasurer's report.
3. The website will soon be flipped to include information regarding next years concert series. The committee has scheduled some great shows.
4. Members in attendance signed up to work at the Sand County Players raffle nights. Darlene will send out the sheet to have others sign up.
5. Gretchen Wetzel talked to the school nurse about the Sharing Closets to see if there is anything the Foundation can do to help out. She said that they mostly in need of deodorant and feminine products. We will vote on this at the May meeting.
6. Meeting recessed at 6:10 pm.
