About the Play:

LET'S GO TO THE HOP!

“Cinderella!” Yeah, you know the story, but you've never seen it done like this before! For one thing, it's set in the '50s! It's got a lot of the “tunes” from back then along with original musical numbers. Based on the classic story by those Grimm Brothers and changed later by the Disney fella, this version still features Cindy as the working girl. In fact, she does all the work for her stepsisters Rona, Mona, and Zona, and her stepmom, Wynona. But one “Blue Moon” that all changes. Who should be coming back to town but “Mikey” the world famous rock 'n roll star who is returning to his home town as a promotional gimmick thought up by his manager, “King Cash” to boost sales on his latest record. They decide to hold a LIP-SYNCH CONTEST, and of course, Cindy can't go. Then along comes this Fairy Godmother and she's given a motorcycle escort to the contest by the “Macho Mice”! Come to auditions and join the cast to find out the rest of the story!
