Good Monday morning all - As a reminder, the *Adams Friendship Educational Foundation* has agreed to meet tomorrow, May 11 at 5:00 PM to further discuss coordination of the Dairy Breakfast. The meeting will take place in the Fine Arts Center lobby for all that are able to attend. Attached are two items provided by Deb W. to promote the event and below is a summary of what was discussed at the last meeting.

Additionally, all agreed that we won't meet on May 18th for our "regular" foundation meeting. Our next regular meeting will take place on Tuesday, June 15. Minutes from the last meeting and agenda for June will be sent as that date approaches.

Please let me know if you have any questions and thanks!

Fund Raising Projects Committee:

Deb Wachholz stated that the proposed *Dairy Breakfast* plans have been approved for Saturday, May 29th from 7:00 – 11:00 AM at the middle school. Vicki from the lunch program will put together the food. The *Oliver* machine will be used to put film over food. Discussion around why event is done took place as it's not really a \$ generator and all agreed it is a community service and part of our mission. Advertising was discussed as well, and Deb broke down all costs which are slightly different this year due to COVID19 precautions. Members agreed to keep cost the same for participants and further discussion surrounding volunteers, route, workers and signage took place. Allan Klaus noted he will reach out to Chief Wollin regarding traffic and what we need to do about that topic and group agreed another meeting regarding the *Dairy Breakfast* was necessary. Agreement was reached to meet in the Fine Arts Center lobby on Tuesday, May 11th at 5:00 PM for further coordination.

Motion was made by Jim Jones; seconded by Tom Machan to keep cost at \$5.00 for participants with free breakfast for pre-school age. The motion carried unanimously.
